To: All Heads of Department (Art and Design) and Examination Officers

---

## CCEA AS and A Level Art and Design Specification

### (for first teaching September 2008)

Part of CCEA's quality control assurance checks have shown that information referring to Coursework (60%) and the Externally Set Assignment (40%) on page 12 of the GCE AS and A Level Art and Design Specification is correct.

However, the information on page 5 in relation to weightings and marks for AS 1 and AS 2 is incorrect.

Please replace page 5 with the amended attached page (dated 14 May 2009) to ensure that your specification is accurate.
