For circulation to: Teachers of Year 10 pupils
English
Mathematics
Science and Irish (in Irish-medium schools)

Key Stage 3 Report on Assessment 2008/2009 Assessment Arrangements in Key Stage 3 English, Irish (in Irish-medium schools), Mathematics and Science

In this dispatch you should have received copies of the Key Stage 3 Report on Assessment 2008/2009. This report includes:

- Chief Marker reports; and
- summary statistics, including statistics by school type and gender.

Provision of teacher assessed levels in Language and Literacy (English and Irish) and Mathematics and Numeracy (Mathematics) is again required in 2009/2010. Schools have also been invited to participate in end of Key Stage tests in all subjects and teacher assessment of Science on a voluntary basis.

Instructions for the registration of Year 10 pupils and for generating and transferring pupil information by EDI along with forms for ordering the tests (where applicable) will be dispatched to schools in January 2010.

A booklet setting out the detailed procedures and special arrangements for the Key Stage 3 tests in English, Irish (in Irish-medium schools), Mathematics and Science will be provided in January 2010
