

TRAWL NOTICE FOR PROFESSIONAL ASSOCIATES

Do you have experience working within the Education Sector?

CCEA wishes to create a list of Professional Associates who will be used to fulfil specific work projects during critical business periods.

Work is starting now and will continue until March 2012.

The areas of work will include:

- support for various projects within primary and post primary sectors
- support for schools
- involvement in the development of on-line resources
- various research projects

As a Professional Associate you will:

- carry out most of the work in your own time
- attend meetings as required
- be fully briefed, trained and supported
- receive a professional fee
- have the opportunity to network with other professionals

This is an ideal opportunity for teachers and other professionals to earn extra income and be at the heart of educational development.

If you have an interest in working within the Education Sector then complete the Register of Interest Application Form.
