FOR CIRCULATION TO: Examination Officers

GCSE Single and Double Award Modular Examinations

In the past centres did not know the results of series 2 and series 5 modular examinations before having to submit entries for series 3 and series 6. To rectify this CCEA has introduced new entry and results dates as highlighted in the table below.

Series	Series Code	Entry Date	Exam Date	Results Date
1 & 4 November	(BA)	14 – 28 September	November	20 January 2005
*2 & 5 March	*(3A)	25 – 31 January	March	15 April 2005
*3 & 6 May	*(5A)	18 – 22 April	May	23 August 2005

***Please note new entry series code and change of entry dates for GCSE Single Award and Double Award Modular Science series 2, 3, 5 and 6.**

For series 2 and series 5 there is a very tight timescale for the issuing of results to centres therefore you will be receiving these results initially by EDI with hardcopies of the results following within 10 working days.

The results information you require to submit your series 3 and series 6 entries in April will be available from reports in the Assessment Manager module of your C2k software.

Changes to our invoicing for GCSE Single and Double Award Science Modules have also been introduced to help centres spread the cost. Therefore from the 2004/2005 academic year centres will be invoiced after each modular series and terminal paper.

CCEA is striving to provide a service which is satisfactory to our customers and we envisage that when centres know results before they have to submit entries that this will be a positive step for us in improving our service to centres.
