Key Stages 1 & 2
UICT Tasks-at-a-Glance

Computational Thinking and Coding

The tasks that are highlighted in yellow are UMaths/UICT tasks and because of the maths element, cover only one level.

The tasks that are highlighted in green are tasks which are set at a low level but which may appeal to older pupils.

Many of the tasks may be used to cover Exchange, for example a pupil may take part in a discussion in their school's VLE or upload a piece of work for discussion to an area which the teacher has set up.
