Key Stages 1 & 2 **UICT Tasks-at-a-Glance**

Desktop Publishing

The following grid shows all of the Primary Using ICT tasks at a glance. It identifies the Levels, the Desirable Features and the 'E's that are covered by each task. The following abbreviations have been marked on the grid, where applicable:

Opt – This identifies where a Desirable Feature is an optional part of the task.

Pt1 – This identifies where a particular Desirable Feature is covered in **one part** of the task **only**.

L1 (for example) – This identifies where a Desirable Feature is covered at a particular **level only.**

Tasks that have supplementary files

Using Mathematics & Using ICT tasks
