Key Stages 1 & 2
UICT Tasks-at-a-Glance

The following grid shows all of the Primary Using ICT tasks at a glance.
It identifies the Levels, the Desirable Features and the 'E's that are covered by each task.

Rewarding Learning

The tasks that are highlighted in yellow are UMaths/UICT tasks and, because of the maths element, cover only one level.

The tasks that are highlighted in green are tasks which are set at a low level but which may appeal to older pupils who are working at Level 1 or 2.

Pt1 This identifies where a particular Desirable Feature is covered in one **part** of the task **only**.

Many of the tasks may be used to cover Exchange, for example a pupil may take part in a discussion in their school's VLE or upload a piece of work for discussion to an area which the teacher has set up.
